

DEPR – Deprivation

This screen is used for entry of information regarding the deprivation of the required children in AF or MA-FM involvement units. The Child Support Enforcement Division (CSED) uses these codes to identify situations where an absent parent may owe child support. If absent parent information is entered on ABP1, the person's number and name appear on DEPR.

Mandatory Fields ([F1] indicates Online Help is available.)

CAUSE (AF and/or FM column) [F1]

This field is used for entry of deprivation cause codes, next to each required child. Codes may vary from child to child. Those codes indicating there is an absent parent (such as DV or SP) are interfaced to CSED via the SEARCHS system.

VR (AF and/or FM column) [F1]

This field is used to show the means of verification for cause of deprivation.

Optional Fields

PEND (AF and/or FM column)

These fields are used to pend for verification of the deprivation cause for AF or MA-FM involvement units. The pending date for the information is entered in the PEND field, along with a verification code. See the process guide on "Pending" for more information.

Display Fields

CASE NAME

The case name (Primary Information person) is displayed.

CASE NUMBER

The TEAMS case number is displayed.

NUMBER

When absent parent information is entered on ABP1 for a child, the DEPR screen displays the absent parent number in this field.
